CARING FOR YOU IS AT THE HEART OF EVERYTHING WE OFFER

Nothing is more important to us than your health and wellbeing, which is why as well as delivering first class care, there is always a bit of fun going on to get involved with.

When it comes to variety and choice, Henderson House has everything you might be looking for, from group activities such as exercise, bingo and quizzes plus themed evenings to celebrating annual occasions including Burns Night, Mother’s Day, Easter, Father’s Day, Christmas and of course residents’ anniversaries and birthdays.

Our full-time Activities Co-ordinator creates an ever changing programme of things to do, from Fruity Fridays, musical visits and animal encounters to, where the weather permits, some relaxing Tai Chi in the garden.

We place great importance on protecting residents’ meal-times as good nutrition and hydration are essential to staying well. Our daily menu always offers a choice of at least two dishes and individual dietary requirements are always catered for. Family members or friends of residents are very welcome to ‘book-in’ and join us for a meal.

“I can’t rate this care home highly enough.”
